YEAR OF

**This spring was  
second-wettest in  
Oregon in 117 years**

PORTLAND (AP) — The wet spring in Oregon has made it to No. 2 in the record books.

The Oregonian reports it was second-wettest spring in 117 years of record keeping.

The National Climatic Data Center figures also show it was the fifth-coolest spring in Oregon.

The springtime weather included mountain snowpacks that kept growing well into May when they usually peak April 1.

That brought plenty of snowmelt that combined with rain to send the Columbia River to flood stage and over for weeks, as measured at Vancouver, Wash.

But Oregon was not alone for wet weather. Montana also had its second-wettest spring in 117 years, while it was the wettest March through May for that period in Washington state, Wyoming, Indiana, Ohio, Pennsylvania, West Virginia, Tennessee and Vermont.

## Ladies' News

I want to wish all of you a Happy New Year. I would like to thank all the ladies and John Garbutt in helping decorate the clubhouse for the holidays. The Christmas party was great. The Warrenton High School Jazz band played beautiful music. Thank you all for the toys, food and money that were brought to the club. Our cash donations were \$225.00 plus the food and toys.

I have a wonderful board this year. The new officers for 2011 were installed: Past President, Debbie Walker; Vice President, Jody Orrell; Secretary, Joan Emery; Treasurer, Bonnie Eller; Golf Chair, Caroline Hinckley; Assistant Golf Chair, Teresa Plowman; and Social Chair Roxanne Fick.

The winter tournament is still going on every Tuesday. Just show up at 9:00 am. Joyce Benson and Betty Rippet are running the winter tournament. If you have any questions, please give them a call.

I have a lot of new ideas this year and planning them right now. Caroline Hinckley is the new golf chair and she also has some great ideas for the 2011 season. The budget committee has met and things really look good for 2011.

The planning meeting will be held on Tuesday, January 11 at 8:30 am. I will already be in Hawaii so Jody Orrell will be running the meeting. Hope you all can attend. There will be golf after the meeting, that is, if the rain and wind isn't here.

Thank you again for letting me serve as your President for 2011.

### Ladies' News

Happy Valentine's Day to all of you. On Saturday, February 12 there is a Saint Valentine's day dinner from 5-8 pm. Take your sweetheart out for dinner.

The winter tournament is still going on, but the weather has been cold and lots of rain. Players meet at the pro shop about 9 a.m. to form playing groups, so there is no need to call ahead. If you have questions regarding the winter tournament, call Betty Rippet or Joyce Benson.

I want to thank all those that attended the planning meeting on January 11. A big thank you to Jody Orrell for running the meeting. We still need some suggestions on how to get new members. If any of you know of someone who plays golf and would like to join us, please contact me or call the office. My phone number is 808-326-9360 and the office number is 503-861-2211.

There's really not a lot to report, so this newsletter is short and sweet.

I understand that the opening breakfast was great. Thank you for all that attended. I want to thank Vice President Jody Orrell for conducting the meeting for me. There was only a few that played golf.

I don't know the winners from the winter tournament, but I will put them in the next newsletter.

Golf Chairman Caroline Hinckley announced that we will again have an 8:30 am shotgun. For those who missed the opening breakfast, you may pick up your roster book in the office. It contains the schedule for the 2011 golf season.

Free golf clinics for the ladies will start soon. Check your roster book for date and time. Be sure to attend as this will give a great start to our new golfing season and get our game turned up.

The Spring Tournament will be coming up soon. Please sign up.

Sorry, I don't have any of the dates; I just email everything back to Oregon. I will be home on April 20. If you have any questions, please call me.

Thanks to all of you that helped me while I was in Hawaii.

'HEAD GOBLIN' SUE CORKILL ARRANGED  
LUNCHEON AND COLORFUL DÉCOR

NEVER TOO OLD TO ENJOY TRICK OR TREATS!

Traditionally, each year the Astoria Ladies' Group donates something beneficial to enhance our club. This year we wish to show our gratitude to Chef Gehrett Billinger and his staff for supporting all of our events , especially the help given to the Snack Shack committee during the Coast Tournament. This co-operation enabled our group to have a profitable week to supplement the budget and provide the scholarships.

Therefore, it has been our pleasure to present Chef Gehrett with one of the most desirable culinary machines available , which will assist him in providing and maintaining their standard of excellence – for all the members to enjoy!!!

BON APPETITE!!!!!!!!!!!!

We should all be proud of Gehrett Billinger who was an invited guest chef at the James Beard House in New York where he helped prepare a meal featuring cuisine from the Pacific Northwest. WELL DONE GEHRETT.

She was born Dec. 2, 1919, in Buhl, Idaho, to Harry Clinton and Margaret Ann (Hoover) Miller.

She was raised in Buhl and Boise, Idaho, and graduated from Boise High School.

On Dec. 23, 1941, she married Allen Rodger Davis in Boise. He preceded her in death.

Mrs. Davis was a telephone operator/supervisor for Mountain States Telephone Company from 1939 to 1943. In 1946, she moved to Astoria, where she worked at Pacific Telephone and Telegraph, Landwehr's Grocery and Clarx Confectionery. at Astoria High School from 1966 until her retirement in 1981.

She was a member of the First United Methodist Church, where she taught Sunday School; and the Astoria Golf & Country Club, where she was the historian for the women golfers and participated in the junior golf program. She was an avid "9-holer." She delivered thousands of meals for the Loaves and Fishes Meals on Wheels program, volunteered with the Columbia Memorial Hospital Auxiliary, and for more than 10 years, volunteered in the Start Making A Reader Today (SMART) reading program and at Capt. For years, she and her husband were Mr. and Mrs. Santa for several community events.

Family members said she had many creative talents including ceramics, rubber stamping, tole painting, decoupage, macramé, sewing, fabric decorating, scrapbooking and gardening. She loved her pets and provided a home for many rescue animals.

She is survived by a

In addition to her husband, she was preceded in death by a brother, Gerald Clinton Miller.

## Cookie celebrates 95th

"FLORA CHAN, aka 'COOKIE' Chan, recently celebrated her 95th birthday with family and friends," PAM LUM wrote to the Ear.

Pictured above, from left, front row, Flora and SHA SHA FIELD (Julie Lum's daughter); back row, KATHY CHAN (Flora's daughter), JULIE LUM, KAI and LORI TOYOOKA, DAVID LUM and Pam.

"Flora Chan is my father's sister," Pam explained. "She is our aunty. She stays young by walking the Riverwalk every day, eating healthy and staying away from desserts. Her favorite 'dessert' is eating another piece of meat."

"As a party favor for our guests, we gave each person a vacuum packed filet mignon instead of chocolates, as Aunty Flora does not eat sweets," she added. "The guests just loved it."

## North Coast mourns loss of Anne Morden

We miss Mr. @ Mrs. Santa (Verna @ Al Davis) who always added to the festivities at the Xmas party.

THE PURPOSE OF OUR LADIES' GROUP—  
According to article #2 – By-Laws – The purpose shall be to promote the advancement of golf and good sportsmanship through Tuesday competitive play, tournaments and social activities

We do wish to thank the 2011 Officers for following this golden rule and providing us with a great season of golf and activities!! (As you may see by the photos!). It was a smoooth year and you must feel much satisfaction for a job well done.

Members too should be proud of following the “old adage” of always doing what is good for the club – not waiting for what it will do for you!  
Now, welcome to the 2012 slate of officers and we will all assist in any way possible.

**CHEERS TO A WONDERFUL  
GROUP!!!!**
